The Sands Hotel and Condominiums Development offers several unfurnished beachfront apartments, all stylish, contemporary, newly renovated and refurbished. This development is located on our popular South Coast and perfectly positioned on the Sandy Beach stretch with its calm waters and reef. The Sands Hotel and Condominiums offers high quality resort facilities – restaurants, bars, swimming, health spa, fitness and water sport, all managed and delivered by highly regarded and a very experienced hotel management team. With leading tour operators already generating rental commitments, these Condos in a Hotel offer flexible personal use arrangements and all under a single (central) management entity. Furniture and furnishings are standardized throughout the property of which a comprehensive room-set package can be purchased at an additional cost. If you have any queries, need further information or would like to reserve a unit just ASK us – we would happily assist.
